In addition to the benefits you will receive from the appropriate investment level you are in, you will receive the following specific tourism benefits as well:

Support of the Chamber's growing tourism sales and marketing staff: destination marketing director, group sales, support staff and visitor information services.

Testing of new markets and programs through increased revenue: regional drive, sports recruitment and convention and meeting relationship building.

"This Week in Billings" calendar of events.

New tourism web site with expanded hotel listings and interactive map network program.

Increased support on legislative issues specific to the hospitality industry through a Government Affairs program.
